# Quarterly statistical Information bulletin

N°07

Kinshasa, april 23, 2022

## FOREWORD

This new issue of the CNSSAP Statistical Information Bulletin reports, in figures, the activities of our institution as carried out in the first quarter of the year 2022. The following highlights are highlighted:

- The number of CNSSAP contributors increased by 11.3% compared to 2021. They stood at 190,544 in the first quarter of 2022, from 171,185 at the end of 2021.
- From a geographical point of view, Kinshasa remains the modal province with 40.5% of the workforce, while administratively; the health sector retains the lead with 25.7% of insured persons.
- The total of registered active agents, since the start of the campaign in 2017, stands at 88,395 so far. Men account for 66.4%, while women account for 33.6%.
- As for retirees, their number fell by 6.5% compared to 2021. Thus, the number of people receiving benefits fell slightly by 0.20%. It should be noted that for the moment, the majority of retirees paid by the CNSSAP come from the public service, i.e. 43.6% of the total.
- Regarding the performance indicators, they are generally in line with the standards.

The publication of this new issue of the statistical bulletin is part of a culture now anchored within the CNSSAP; that of reporting. The document offers relevant interested parties the opportunity to follow step by step the behavior of social indicators in its “social security” component of the public sector in the DRC.

## DEFINITIONS OF MAIN CONCEPTS

- Affiliation : Attachment of the public official to the social security system established both in terms of his obligations (contributions) and in terms of his rights (benefits).
- Annuity : Percentage of the reference salary used to calculate the pension that the insured person acquires per year of service.
- Insured : Public official affiliated to the contributory social security scheme established by law.
- Cotizapp : CNSSAP mobile application allowing insured contributors to consult in real time the evolution of their individual contributor accounts and to simulate the amount of their future retirement pension.
- Social contributions : Periodic compulsory deductions imposed on public officials and the State-employer, intended to finance the social security system instituted in their favour.
- Registration : Administrative procedure, by which a social security body identifies its taxable persons, records them in its books and assigns each a social security number.
- Retirement pension : Allowance paid periodically to public officials admitted to retirement.
- Service provider : Beneficiary of a service provided by the CNSSAP.
- Social Security benefits : Benefits in cash or in kind that social protection institutions pay to their beneficiaries.
- Demographic report : Index that shows the number of contributors it takes to support the pension of a retiree.
- Survivor's pension : Allowance paid to survivors of a Deceased taxable person.
